## Superintendent's Highlights

CCSD is in its fourth year of a five-year implementation of the Focus: 2024, CCSD's Five-Year Strategic Plan. The plan was developed to ensure that all schools are rated three stars or higher on the Nevada School Performance Framework and that at least 90 percent of CCSD students graduate from high school ready for college and career. Some highlights of this year include:

- In April 2022, CCSD received the Best Communities in Music Education award for the 23rd consecutive year.
- Southeast Career and Technical Academy was awarded the Dr. Ronald P. Simpson Magnet School of Merit Award of Excellence, Magnet Schools of America's (MSA) most prestigious award for magnet schools.
- CBS News featured the District's additional mental health resources for students and staff in a news story published in April 2022.
- CCSD has been recognized with the Certificate of Achievement for Excellence in Financial Reporting by the Association of School Business Officials International for its comprehensive annual financial report, signifying that CCSD met the organization's high standards for financial reporting and transparency in the 2021 fiscal year.
- The Leadership and Professional Learning Division (LPLD) provided opportunities for professional growth and career advancement for diverse groups of employees through the Harvard University Certificate in School Management and Leadership, the Howard University Insight Education Group Executive Leadership Academy, and the Voice4Equity Women in Policy Leadership Network.
- The Communications Office produced and hosted a monthly television program, Student Spotlight, on Vegas PBS. Student Spotlight showcases student skills, talents, and achievements to shine a spotlight on students and discover what makes them succeed.
- The Grading Reform Committee, composed of principals and members of various CCSD departments, in partnership with the Assessment, Accountability, Research, and School Improvement Division, led a grading reform initiative in an effort to ensure students' grades more accurately reflect their knowledge and skills.
- Parents/Guardians and community members regularly participated in and provided input at CCSD Bond Oversight Committee meetings and Capital Improvement Plan revisions regarding revitalization of existing campuses.
- The Superintendent's External Anti-Racism, Equity, and Inclusion Taskforce was formed and, with community input, Policy 5139, Anti-Racism, Equity, and Inclusion was developed and adopted November 18, 2021. Employee participation is required in professional learning sessions regarding Policy 5137, Safe and Respectful Learning Environment: Discrimination Based on Race, Bullying, or Cyberbullying; and Policy 5139.
- Through the collaboration of an internal working group and community input CCSD Policy 6120, Multi-Tiered System of Supports (MTSS) was developed. Professional learning utilizing the MTSS approach provides educators with multiple options for addressing student behavior before escalating appropriate interventions.
- CCSD worked with community groups during July, August, and September to survey a broad swath of parents, educators, students and other members of the community as part of the Focus on the Future for Kids: Community Input Initiative. Data from the input process was collected and analyzed in late September, and a shared community vision for our schools was presented in late October.

Throughout Focus: 2024, work is approached through a theory of action that recognizes "Our people drive our success." It follows, "In order to realize this plan, we must commit to attracting, growing, retaining, and rewarding our people." This theory helped operationalize established core values of high expectations, accountability, equity, innovation, integrity, leadership, customer service, and communication into five strategic priorities that will enable CCSD to achieve student success targets.

### Priority Area 1: Student Success

Increasing student achievement in core content areas will rely on providing high-quality, standards-based Tier I instruction.

Objectives and strategies are designed to:

- Increase student achievement in English language arts, mathematics, and science.
- Decrease student proficiency gaps in English language arts, mathematics, and science.
- Increase access and equity to rigorous curriculum and instruction for all students.
- Ensure students and staff are safe and engaged at school.

#### **Priority Area 2: Teachers, Principals, and Staff**

Objectives and strategies are designed to ensure all students have access to highly effective teachers, principals, and school staff.

#### **Priority Area 3: Balanced Governance and Leadership**

Objectives and strategies are designed to enhance CCSD's Governance and Leadership structures to reflect the community needs.

#### **Priority Area 4: Sound Fiscal Management**

Objectives and strategies are designed to:

- Improve quality, communication, and understanding of District financial information.
- Improve financial equity and stability and ensure regulatory compliance with finance and budget-related requirements.
- Ensure operational effectiveness and efficiency of school and District facilities and operational resources.
- Reduce the general fund impact caused by safety concerns resulting in injury or damage.

#### **Priority Area 5: Parent and Community Support**

Objectives and strategies are designed to:

- Leverage internal resources to help parents/guardians support student achievement and attendance.
- Secure strategic external resources and community partners.
- Improve trust in and perception of CCSD.

#### **2021-2022 Recognitions and Awards:**

- CCSD announced the opening of the new Central Technical Training Academy for the 2022-2023 school year. The non-traditional high school will focus on career pathway training through career and technical education (CTE) coursework, credentialing, and work-based learning opportunities. Students will also participate in courses that fulfill high school graduation requirements and benefit from flexible schedules that incorporate distance learning, blended, and face-to-face options.
- The Connection Line was launched to provide additional support to students and accessibility to a counselor or social worker from 8:00 a.m. to 4:00 p.m. on weekends and during school breaks.
- CCSD launched the When You Grow, We All Grow campaign, which focuses on hiring diverse, talented individuals committed to the success of every student.
- CCSD committed to a \$2,000.00 bonus to employees working for the District as of January 1, 2022, and remained employed as of May 25, 2022, in an effort to improve employee retention.
- CCSD increased the starting pay for all new bus drivers to attract more applicants.
- C. P. Squires Elementary School won the seventh straight state archery champion.
- The Centennial High School Girls Basketball team won their seventh consecutive state championship.
- Carolyn Avery, a sixth-grade science teacher at Bob Miller Middle School, was named February's National Hockey League (NHL) and NHL Players Association Future Goals Most Valuable Teacher.
- CCSD students participated in the Green Our Planet Farmers Market, the country's largest student-run farmers market.
- Stephen Blanco, Director of Mariachi Joya de Las Vegas High School, was chosen as a semifinalist for the Grammy's National Music Educator Award.
- Juliana Urtubey, 2021 National Teacher of the Year, was named People Magazine's 2021 People of the Year.
- To celebrate the annual Elizondo Honor Day, Raul P. Elizondo Elementary School students honored their campus' namesake by wearing matching T-shirts that read, "Bulldogs honor heroes/past, present, future."
- Joseph Uy, Principal at Gwendolyn Woolley Elementary School, was recognized by the Las Vegas Raiders for his hard work with tickets to the Super Bowl.
- K. O. Knudson Academy of the Arts celebrated its 60th anniversary with an old-fashioned county fair-style celebration; hundreds of students and their families converged on the campus to enjoy the festivities.
- Sonia Fernandez, Custodian at William E. Ferron Elementary School, was named a finalist for the National Custodian Award.
- CCSD and the University of Nevada, Las Vegas announced the Paraprofessional Pathways Project, a fast-track, high-quality pathway Bachelor of Science degree in education and complete qualifications for single academic year teacher licensure for paraprofessionals and school support professionals.
- CCSD highlights Star Graduates yearly by featuring one star graduate from each high school on the District's website at [www.ccsd.net](http://www.ccsd.net) and social media platforms.
- CCSD honored Denise Farleigh as Central Administrator of the Year, Carmella Belt as Support Professional of the Year, Melissa Tanner as Teacher of the Year, and Jacquelynn Walker as Principal of the Year at a gala on September 10, 2021.

#### **Magnet Schools - Fiscal Year 2021-2022 Accomplishments:**

- For the 2021-2022 school year, CCSD magnet schools enrolled 34,130 students in Kindergarten (K) through Grade 12. Forty magnet school options were available for students, including 10 elementary schools, 12 middle schools, 17 high schools, and 1K-Grade 8 school.
- Thirty-eight CCSD magnet schools were recipients of the MSA Merit Awards. Fourteen magnet schools were awarded

Schools of Excellence and twenty-four were awarded Schools of Distinction. Claire Romzek of Lied STEM Academy was recognized as the MSA Region II Teacher of the Year. MSA named Dr. Derek Fialkiewicz, Principal of Lied STEM Academy, as the MSA Region II Principal of the Year. CCSD was awarded the Donna Grady-Creer District Award for Magnet Sustainability. This award acknowledges a school district that exemplifies equity, excellence, and diversity while sustaining magnet programs and schools against all odds.

## Goals and Objectives

This school year marked a return to full-time face-to-face learning. CCSD continued COVID-19 mitigation practices, using emocha Health to track employee symptoms, and offered distance learning for students exposed to or tested positive for COVID-19.

The COVID-19 pandemic continued to pose new, unprecedented challenges for the District, which has responded by putting in place additional support and resources, such as:

- Teacher recruitment and retention programs, such as When You Grow, We All Grow, to address higher-than-normal teacher attrition levels.
- Clark County School Justice Partnership and Dads in Schools to help mitigate the increase in student-related behavior events at schools.
- Addressing challenges in student achievement by bringing back the summer acceleration program, which offers free summer school to all students.

The District continues to monitor progress towards achieving goals set in Focus: 2024, which calls for all CCSD schools to be rated three stars or higher on the Nevada School Performance Framework and at least ninety percent of CCSD students to graduate from high school college and career ready.

## District Communication Efforts

Parents/Guardians and community members are encouraged to be active participants in the educational process. In the 2021-2022 school year, CCSD promoted frequent, two-way communication with parents/guardians, families, and the community through a variety of meetings, forums, publications, and media events as the community worked on emerging from the global pandemic and schools returned for a full year of face-to-face learning.

### Board of School Trustees' Outreach to the Community:

- The Board of School Trustees conducted Community Input Meetings for parents/guardians and the community to provide input about redistricting. The information about these meetings was shared with parents via Parentlink, social media, and online at [ccsd.net](http://ccsd.net).
- The Board of School Trustees' Regular Board Meetings and most work sessions and committee meetings were available on [ccsd.net](http://ccsd.net) and/or Facebook Live to provide parents/guardians, students, and the community with greater access to the meetings and the decision-making process.
- The Board of School Trustees, Superintendent, and CCSD staff attended community meetings and made presentations to the members of various community organizations.
- Surveys were made available to parents/guardians and the community requesting feedback regarding all aspects of schools, including CCSD's annual Districtwide Survey, to gather feedback from parents/guardians, students, and the community.
- Parents/Guardians and community members regularly participated and provided input to critical committees, such as the Attendance Zone Advisory Commission, Bond Oversight Committee, School Name Committee, and the Student Advisory Committee.
- CCSD provided reports and messages related to educational reforms and planned changes to the community through community meetings, emails, parent/guardian messaging, Web postings, social media, and presentations at the Board of School Trustees meetings.
- The Board of School Trustees held a joint meeting with the Nevada State Board of Education regarding Assembly Bill 469.

### Other CCSD Communications:

- The Superintendent took part in various community meetings held face-to-face and virtually during the school year to allow for participation in dialogue and answering questions from the community and employees.
- CCSD provided updates and important messages directly to parents/guardians and community members through districtwide Weekly Parentlink Messages, website postings, emails, the Parentlink messaging system, and social media venues, such as Facebook, Instagram, and Twitter.
- CCSD website provided timely information for parents/guardians and provided links to individual school websites, as well as summer information and back-to-school pages that were available to students and parents/guardians.
- Web resources also included CCSD's reorganization ([reorg.ccsd.net](http://reorg.ccsd.net)), professional learning information, and videos. The website contains a family section and information on School Organizational Teams.
- CCSD held multiple Community Input meetings for parents/guardians and community members to provide input on Capital Improvement Plan revisions regarding the revitalization of existing campuses and the construction of future schools.
- CCSD hosted several town hall meetings to update the community on plans to allocate Elementary and Secondary School Emergency Relief (ESSER) funding to address learning loss due to the COVID-19 pandemic and distance learning.

- CCSD sends a monthly newsletter to community supporters who subscribe to the email newsletter.
- CCSD's daily social media accounts promote CCSD and school activities, accomplishments, dates, and times for CCSD meetings, family engagement events, and safety reminders while partnering with other entities to encourage the community to be involved in public education.
- Schools throughout CCSD produced and distributed information about specific programs, activities, and events through newsletters, websites, and the Parentlink messaging system.
- The Superintendent and CCSD staff appeared on radio and television shows to inform the community of changes within CCSD, encourage feedback, and foster positive working relationships.
- CCSD continued to contribute to a weekly education news column in *El Tiempo, Zona Escolar*. CCSD continued the *What's Cool at School* segment with the local CBS affiliate to highlight different schools, students, and staff.
- The Superintendent and staff held virtual and in-person media events to provide information on public school issues.
- The District assisted the Southern Nevada Health District and Clark County by promoting COVID-19 testing and vaccination locations via social media and [ccsd.net](http://ccsd.net).

### Discipline

The Education Services Division (ESD) administration provided annual professional learning for all administrators assigned to handle student discipline aligned with the CCSD Pre-Kindergarten-Grade 12 Student Code of Conduct. The ESD Behavioral Legislative Update professional learning session included the behavior tab in Infinite Campus, accuracy in event and resolution codes, student searches, student expulsion procedures and related statutes, student attendance procedures and related statutes, investigation procedures, and discipline data reporting.

Additionally, the Board of School Trustees, principals, assistant principals, student success coordinators, central services administrators, and substitute administrators attended annual required bullying and cyberbullying professional learning sessions prior to each school year. The bullying, cyberbullying, and discrimination based on race professional learning sessions are also offered monthly to newly appointed administrators. This professional learning session incorporates the relevant sections of Chapter 388 of the Nevada Revised Statutes; CCSD Policy 5137, Safe and Respectful Learning Environment: Discrimination Based on Race, Bullying, or Cyberbullying; outlines the mandated protocols and timelines; and reviews all available guidance documents. Further discussion and information regarding harassment, intimidation, and school safety were facilitated to promote a safe and respectful learning environment throughout CCSD. Similarly, all new CCSD employees, volunteers, and coaches were provided with professional learning sessions. Infinite Campus served as a source of record keeping where all bullying, cyberbullying, and discrimination based on race protocols and practices can be logged, along with accessing all required reporting documents, which are automatically populated when schools enter a bullying, cyberbullying, and/or discrimination based on race event.

### Curriculum Details

CCSD's core curriculum consists of English language arts, mathematics, science, and social studies. In order to provide students with a comprehensive and rigorous curriculum, curricular and instructional supports are also offered in the areas of fine arts, library services, world languages, health, and physical education. With the ongoing implementation of the 21st Century Course of Study, students in high school are scheduled into a fourth year of mathematics, which includes Algebra II, and a third year of science, including biology. CCSD specifies the K-Grade 12 curriculum as the basis for instruction in all classrooms, including traditional, blended, and online curricula. CCSD expects students to master grade-level skills with the ultimate goal of being prepared for college and career.

The Nevada Academic Content Standards (NVACS)/NVACS Connectors serve as the foundation for the curriculum. NVACS/NVACS Connectors are a progression of learning expectations designed to prepare students for college and career readiness. They include rigorous content with the application of knowledge and critical thinking skills.

To further support Tier I instruction, pacing guides were created to provide continuity across CCSD. The pacing guides were designed to be used in conjunction with a long-range unit planning guide to ensure all standards are adequately addressed. Students have multiple opportunities to achieve mastery of grade-level standards throughout the school year.

The Curriculum and Instruction Division (CID) unwrapped NVACS/NVACS Connectors and provided access to pacing guides in the Curriculum Engine. CID has continued to develop and implement professional learning opportunities related to unwrapping standards and instructional planning to support teachers in providing high-quality, standards-based instruction for all students.

The K-12 Mathematics Department offered three summer mathematics institutes, one at each level. The enVision Mathematics 2020 Summer Institute provided professional learning for 400 elementary mathematics educators. The Carnegie Learning Mathematics Summer Institute and the High School Mathematics Summer Institute provided professional learning for 300 secondary mathematics educators collectively. All institutes focus on effective instructional practices that promote access and equity for all students, purposefully planning for the implementation of high-quality, standards-based instructional materials to meet the needs of all students and developing a deeper understanding of the mathematics NVACS.

The Creating a Vision for Writing and Analyzing Student Writing Using Resources within the English Language Arts Pacing Guides course will be offered in June 2022. The course familiarizes elementary educators with the CCSD-adapted writing rubrics, Smarter Balanced Assessment Consortium writing rubrics, and guides participants through the calibration of a student writing sample.

Systematic Elementary Phonics Instruction for Teachers was offered in June 2022 to 150 elementary educators who support

literacy instruction. During this professional learning session, teachers will learn, practice, and apply effective blending strategies to intensify phonics instruction in the classroom to support early foundational skills. Participants will become proficient in Sound-by-Sound Blending, Continuous Blending, Sound/Spelling Review, Word Reading-Spelling Focused, and Multisyllabic Blending strategies.

During the 2021-2022 school year, CCSD elementary administrators and Read by Grade 3 (RBG3) literacy specialists began engaging in Language Essentials for Teachers of Reading and Spelling (LETRS®) professional learning. LETRS® is a professional learning course that bridges deep, meaningful research into practical classroom success. LETRS® aligns with the science of reading and provides educators with the background, depth of knowledge, and tools to teach language and literacy skills to every student. All RBG3 literacy specialists started the course in January 2022 to elevate instructional leadership and strengthen the support and coaching provided to teachers, and 40 CCSD leadership team members started LETRS® for Administrators.

In May 2022, 235 RBG3 literacy specialists completed LETRS® Unit 2. In addition, 40 central office leadership administrators and 180 elementary administrators continued the LETRS® for Administrators course. In June 2022, 80 elementary administrators started LETRS® for Administrators. In addition, 31 elementary schools were selected to begin LETRS® for the 2022-2023 school year. In 2022-2023 LETRS® professional learning will be provided to support 1,200 elementary educators and 120 early childhood educators.

The K-12 Literacy and Language Development Department is offered three professional learning sessions for RBG3 literacy specialists in June 2022. How to Support Systematic Phonics Instruction for RBG3 literacy specialists will provide a foundational skill set of systematic phonics instruction through the lens of a coach and will become familiar with resources to redeliver the Systematics Phonics course at their school site and support implementation. LETRS® and Coaching for RBG3 literacy specialists will outline coaching models to support student outcomes. Participants will also connect their learning within LETRS® to build site-level capacity. Assessment tools and instructional resources will be shared to support literacy instruction. Essentials for New or Newer RBG3 literacy specialists is designed to ensure all RBG3 literacy specialists are familiar with the roles and responsibilities of the position and to explore materials to support coaching and delivering professional learning.

The K-12 Literacy and Language Development Department offers LETRS® for Administrators. In June 2022, 81 elementary administrators started LETRS® for Administrators, and in July 2022, an additional 80 elementary administrators will have the opportunity to begin LETRS® for Administrators. Approximately 50 secondary administrators will participate in the Secondary English Language Arts Professional Learning Series, identifying key instructional resources/materials to support improved literacy instruction.

Sessions titled Nevada Academic Content Standards (NVACS): K-12 Library Standards for Information Literacy and Writing was offered for elementary teacher-librarians and for secondary teacher-librarians in June 2022. During these sessions, teacher-librarians learned strategies for integrating writing instruction that engage students in the NVACS: K-12 Library Standards for Information Literacy and the NVACS for English Language Arts Standards.

A session titled Essentials for New Teacher-Librarians will be offered twice in July 2022. During this session, new teacher-librarians will spend two days learning the procedures for CCSD school libraries, gaining a greater understanding of the NVACS: K-12 Library Standards for Information Literacy, gaining and sharing instructional ideas, and learning the administrative functions of Destiny Library Manager.

The K-12 Science, Health, Physical Education, and Driver Education department is offering professional learning throughout the summer to support the implementation of Tier I instructional materials, Amplify Science, for K-Grade 8. Additionally, professional learning sessions will be offered to support high-quality standards-based instruction in the areas of biology and geoscience for high school teachers.

Regulation 6150, Instructional Materials; and Policy 6161, School Libraries, professional learning was provided by CID and LPLD to site-based administrators and teacher-librarians. Site-based administrators created an inclusive supplemental textbook selection process for their site. Teacher-librarians received guidance on inclusive practices for updating the school library resources selection policy at their site.

Per Regulation 6150 and Policy 6161, an effective school library includes a certified teacher-librarian with a Nevada School Library Media Specialist endorsement. A school principal may temporarily assign a licensed teacher designee to the school library with signed consent that the licensed teacher designee will obtain the Nevada School Library Media Specialist endorsement within three years when a teacher-librarian is not available. Schools submitted required documentation showing the assignment of a certified teacher-librarian or a licensed designee.

The K-12 Mathematics Department provided initial implementation of professional learning for the materials included in the Mathematics Tier I instructional materials centralized purchase for K-Grade 8, Algebra I, Geometry, and Algebra II.

The Social Studies Department assembled teacher task forces to create pacing guides and sample unit plans aligned to NVACS/NVACS Connectors, including compelling questions, inquiry-based lessons, and resources to provide structure and guidance. Teacher task forces will continue to align additional resources, including identifying instructional materials and unwrapping standards. The Social Studies Department provided professional learning on NVACS/NVACS Connectors for social studies, instructional resources, distance learning, and hybrid instruction to assist K-Grade 12 social studies teachers. In addition, economics and financial literacy instruction were implemented in the U.S. Government and Economics courses.

The World Language Department assembled teacher task forces to revise the level one curriculum and level two curriculum for seven languages. This curriculum aligns with NVACS/NVACS Connectors and includes teacher and student guides, student proficiency passports, and instructional resources. The World Language Department provided 16 professional learning opportunities to world language teachers. The topics included distance learning, assessments, hybrid instruction, instructional resources, student engagement, and language acquisition. A world language resource drive was created, including Canvas

shells, pacing guides, 30 how-to videos, digital resources, and formative assessment tools. Lastly, the World Language Department oversaw the Seal of Biliteracy testing for 58 high schools.

The Elementary Fine Arts Department assembled teacher task forces to update and revise the instructional strategies and music examples in the melody sections of the Elementary Music Curriculum Guides. The high school juried art show, VOICE, was displayed at the Priscilla Fowler Gallery in Downtown Las Vegas and included 58 submissions from 11 schools. The middle school art show, VISION, was exhibited at the Winchester Dondero Cultural Center Gallery and included 16 submissions from four schools. The Elementary Fine Arts Department provided professional learning for K-Grade 5 music and K-Grade 12 visual arts teachers in instructional resources, distance learning, and hybrid instruction to assist with curriculum implementation.

The Secondary Music, Dance, and Theater Department assembled a teacher task force to create new pacing guides for performing arts courses. These guides assisted teachers in aligning instruction with new NVACS/NVACS Connectors for fine arts. The Secondary Music, Dance, and Theater Department also continued to provide professional learning on the new standards for fine arts, instructional resources, hybrid model learning, and creating performances in a virtual format.

The Science Department continued support to all grade levels by developing and implementing science curricula that reflect the Next Generation Science Standards. A framework for science instruction was developed and presented to teachers through professional learning. Tier I instructional materials were purchased, including science kits for each school from Amplify Science, with 100 percent opt-in from schools.

With the impact of COVID-19, professional learning focused on assisting educators in moving from the traditional lesson planning to instructional planning for learning in all environments: distance learning, blended learning, and face-to-face. Specifically, this involved creating student-centered, digital learning experiences during distance learning, with digital course structures in Canvas based on templates and incorporating best practices of universal design for learning. Professional learning topics were specific to the needs of each content area.

The Online and Blended Learning (OBL) Department provided professional learning to all schools using the Canvas Learning Management System (LMS) and its functionalities. The OBL Department was also highly involved in the oversight of the custom grade passback functionality allowing for the automatic transfer of grades from Canvas to Infinite Campus. Additionally, the OBL Department designed and facilitated a series of Canvas Champions professional learning for three designees from each school to assist all schools with increasing their capacity to support and implement the Canvas LMS in alignment with CCSD's vision of moving toward a single LMS for the 2021-2022 school year.

LPLD, including the Employee Onboarding and Development Department (EODD) and the Leadership Development Department, supported the design, development, implementation, and monitoring of a comprehensive equity-centered teacher and principal pipeline. The division worked cross-functionally with District departments and divisions to ensure that the professional learning curriculum and outcomes support aspiring and current school leaders to meet the needs of all students leading to their success.

EODD provided targeted professional learning for new educators in classroom management, culture and climate, and student engagement. EODD provided a customized teacher preparation program, including mentoring support, Accelerated Licensure Teacher Academy, and specialized professional learning for instructional assistants to better support student achievement.

In addition, the Leadership Development Department prepared aspiring assistant principals and principals through research-based professional learning that focused on effective practices for instructional leadership through the lens of the Nevada Educator Performance Framework. School leaders received professional learning through the Aspiring School Administrators Program, Aspiring School Principals Program, and the newly developed assistant principal and principal induction and mentoring programs.

In an effort to reach goals set in Focus: 2024, CCSD's five-year strategic plan, the Grading Reform Committee, composed of principals and members of various CCSD departments, in partnership with the Assessment, Accountability, Research, and School Improvement Division, led a grading reform initiative. The goal of these efforts is to ensure students' grades more accurately reflect their knowledge and skills by minimizing the impact of non-academic factors by reporting these separately.

Data as of Validation Day

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

IEP= Students with disabilities

EL= Students who are English Learners

FRL= Students qualifying for Free/Reduced Price Lunch

District totals do not include state or district sponsored charter school data. (2008-Current)

| means these schools are CEP or Provision 2 Schools and officials do not track who eats breakfast or lunch.

Adult Education is not included in the totals.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

Continuously enrolled tracks English Learner enrollment from the beginning of the school year (validation day count) to the end of the school year.

### Student Average Daily Attendance (ADA)

Student Average Daily Attendance (ADA) is the percentage of the school enrollment in attendance on an "average school day" as of the 100th day of school.

Wynn ES	90.6	-	92.7	91.1	88.6	90.7	94.5	86.3	89.0	91.3	90.6

ADA Data as of: First 100 days of instruction

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

IEP = Students with disabilities

ELL = Students who are English Language Learners

FRL = Students qualifying for Free/Reduced Price Lunch

Top and bottom coding applied to values that fall <5% or >95%, in order to protect student privacy.

District totals do not include state or district sponsored charter school data. (2008-Current)

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

Data as of: End of school year

\* indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

\*\* indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Discipline and Transiency incidents are reported at the school where the action occurred.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

\*\*The purpose of some alternative programs is to enroll students for a short period of time until they can reenroll in a comprehensive school; therefore, transiency rates may be greater than 100% or N/A. Data reported as of the end of the school year.

Data as of: Count Day

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Because of the changes in law (NAC 387.659) in 2009-2010 that affected the way credit deficient students are identified, results prior to this date and post this date cannot be compared.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

# 2021-2022 District Accountability Report

Data as of: Count Day

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Because of the changes in law (NAC 387.659) in 2009-2010 that affected the way credit deficient students are identified, results prior to this date and post this date cannot be compared.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

## Student/Teacher Ratio

Data as of: December 1st

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

"+" Teachers may serve multiple grade levels as needed. Student/Teacher Ratio is reported for the school as a whole.

"++" Kindergarten ratios are based on the number of classes, not teachers.

District totals do not include state or district sponsored charter school data. (2008-Current)

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

## 2021-2022 District Accountability Report

Data as a of: Previous School Year

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

Data in grade 9-12 excludes pupils:

who successfully completed HSE assessment,

who are enrolled in approved courses for an adult standard diploma, withdrew from school to attend another school.

Data is not displayed for a group where enrollment information is missing.

Negative value indicates rate cannot be calculated due to zero enrollment.

### Nevada System of Higher Education Remedial Data

Students enrolled in remedial courses within the Nevada System of Higher Education (NSHE) do not reflect all graduates. Some graduates do not attend college or they attend college out of state.

## Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to [www.nevadareportcard.nv.gov](http://www.nevadareportcard.nv.gov).

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

## Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to [www.nevadareportcard.nv.gov](http://www.nevadareportcard.nv.gov).

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

## Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to [www.nevadareportcard.nv.gov](http://www.nevadareportcard.nv.gov).

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
