

Clark County School District Audit Advisory Committee Bylaws and Calendar

Role

The Clark County School District (District) Board of Trustees (Board) formed the Audit Advisory Committee (Committee) to advise the Board in the following areas:

- Strengthening accountability for the stewardship and efficient use of public funds
- Providing a communication link between the external and internal auditors and the Board
- Enhancing transparency of the District's financial operations
- Improving public trust in the honesty and integrity of its public officials

Membership

The membership of the Committee shall consist of five Community members who shall be appointed by the Board of Trustees. Committee members shall serve without compensation for renewable staggered two-year terms. Terms will begin on July 1 of each year. The Committee chairperson shall be appointed by the Committee on an annual basis. The Committee chairperson shall serve as the formal liaison to the Board of School Trustees and shall provide committee approved reports to the Board at regularly scheduled intervals at a public meeting of the Board of Trustees. The Board may remove Committee members at any time with or without cause.

In order to stagger terms of service after the first two-years of the Committee's existence, and if none or only one of the charter members opt to resign from the Committee, members who wish to continue serving will be asked to commit to either a one- or two-year extension of service. If two or three of the five members volunteer for one additional year only, then staggered terms will commence upon the expiration of their service. If no Committee members volunteer for a one-year extension, then two of the five members will be identified for a one-year extension through a random selection process.

When a vacancy occurs on the Advisory Committee, the Committee chairperson will notify the Board of Trustees of the vacancy. All Trustees will be invited to submit names of candidates to fill the vacancy. Trustees will select a new committee member(s) at a public meeting.

Members of the public who wish to apply to the Committee must submit an application and resume to the Office of the Board of Trustees for consideration. A designee of the Superintendent will review the applications and present qualified applicants for vacant positions to the Board at which time the Trustees will select a new committee member at a public meeting.

Due to the complexity of the Committee's charge, it is essential that members attend meetings on a regular basis. After two absences within the District's fiscal year, the chair will report in writing the excused or unexcused absences to the full Board and may present to the Board of School Trustees a recommendation to replace that Committee appointment.

Membership (continued)

Each Committee member shall, in the judgment of the Board, meet the following criteria:

- **Independence:** Committee members shall not be employees or contractors of the District, nor shall any members of the member's household, or any person who is related to the member by blood, adoption or marriage within the third degree of consanguinity or affinity, be employees or contractors of the District. Members shall adhere to the laws of the State of Nevada governing conflicts of interest and ethics relating to public officers. Committee members shall not be currently employed by the District, or provide goods or services contractually to the District within the past 2 years.
- **Financial Expertise:** Each Committee member shall be a financial expert who possesses the experience and skills necessary to understand complex and technical financial reporting issues with credentials from one or more of the following areas: Business finance, legal, accounting, auditing, and government and/or corporate finance. One member must have professional expertise in governmental accounting.
- **Good Faith:** Members of the Committee shall perform their duties in good faith, in a manner they reasonably believe to be in the best interests of the Committee and the District with such care as a generally prudent person in a similar position would use under similar circumstances. Members of the committee will act in a manner consistent with the mission and policy of the district.

Operations

Committee meetings are governed by District policy and the laws of the State of Nevada including the Open Meeting Law.

It is expected that the Committee will meet three times a year including an annual meeting with the Board of School Trustees and staff. Additional meetings may be scheduled by the Committee chairperson or the Committee. In the absence of the Committee chairperson, a majority of the Committee members present may appoint a Committee member to preside at the meeting.

A quorum constitutes a simple majority of currently appointed membership and meetings will not be conducted unless a quorum is present. Decisions will be made by majority vote of the currently appointed membership.

Communications

The Committee shall report its activities and recommendations to the Board on a regular basis. The Committee shall maintain open and free communications with the Board, administration, internal auditors, and the independent auditor.

The Audit Advisory Committee Responsibilities Calendar details the specific responsibilities of the Committee.
